Can I get a window seat?
Can I get a window seat?
A window seat

I'ma go and get the guap and spend it on all kind of shit, that I want
I'ma go and get the guap and spend it on all kind of shit, that I want

My bitch is a fire, racks and I buy [?] like doors with you
26s, seven racks and I rolls doors like they was
Fucking bitches back to back, I drop 'em off, set them back free
My britches cost ten racks and they come from across the street
They ain't drop these yet, they cost a G
For some lean like this, it cost a fee
When I pour up, it's dark like coffee beans
Park my coupe all by itself

Don't want nobody next to me
Don't want nobody next to me
Next to me
Don't want nobody next to me

Can I get a window seat?
Can I get a window seat?
A window seat
Can I get a window seat?

I'ma go and get the guap and spend it on all kind of shit, that I want
I'ma go and get the guap and spend it on all kind of shit, that I want

I want floor seats, no nosebleeds
Shoes red like your nose bleed
Fogo de Chao your hoe
Throw ones, make pile on floor
I got stripper bitches dancing back to back
Yeah, now those some freaks, and I know
She gon' ask a nigga to buy her a new bag
And I know he will, but I won't
And I'm driving, rolling up the gas
Told my bitch to hold the wheel, 'cause I won't
It's 200 on my dash, I'ma do it
And I hope you heal, 'cause I won't

Can I get a window seat?
Can I get a window seat?
A window seat
Can I get a window seat?

I'ma go and get the guap and spend it on all kind of shit, that I want
I'ma go and get the guap and spend it on all kind of shit, that I want
