

Man Done Wrong

Valerie June

You can do your thing

Man done wrong and I don't care
Man done wrong and I don't care
Go on and roam 'round everywhere
Go on and roam 'round everywhere

Shadows dancin' at my door
Shadows dancin' at my door
I can't fight 'em anymore
I can't fight 'em anymore

Neighbor listen through the wall
Neighbor listen through the wall
Know that neighbor heard it all
Know that neighbor heard it all

Friend dropped by, but could not stay
Friend dropped by, but could not stay
Friend, he done up and walked away
Friend, he done up and walked away
