

Tonight I'll Be Staying Here With You

Valerie June

Throw my ticket out the window
Throw my suitcase out there too
Throw my troubles out the door
I don't need them any more
'Cause tonight I'll be staying here with you

I should have left this town this morning
But it was more than I could do
Oh, your love comes on so strong
And I've waited all day long
For tonight when I'll be staying here with you

Is it really any wonder
The love a stranger can receive
You cast your spell and I went under
That's why I find it so difficult to leave

I can hear that whistle blowin'
I see that stationmaster, too
And if there's anybody in the street
Then let him have my seat
'Cause tonight I'll be staying here with you

You can throw my ticket out the window
You can throw my suitcase out there too
Throw my troubles out the door
'Cause I don't need them any more
'Cause tonight I'll be staying here with you

Tonight tonight I'm staying here with you
