Valient Thorr

the veil of lies is gone
no democracy was real
we never knew the truth and i guess we never will the
owl and the
pyramid sold lies just to stay alive all the knowledge
you can handle
for \$19.95 there's people that live on earth they
believe everything
the read this government promised justice this
government delivered
greed if you study historical knowledge, then you know
that we're not
free not wisdom that you find in textbooks, take a look
and ill help
you see you don't have to buy it, you just need to hear
my words then
if you believe it, go to others and set them free
timelines are
crossing, the hourglass is running out, another war is
starting, how
much more of this can we take?
the owl and the pyramid
sold lies just to stay alive
all the knowledge you can handle for \$19.95 they've
been misleading us
with false information and im not talking about on
television,
everybody knows that but these dudes personally acted
as moles within
the system but were REALLY working for the owl all
along!
they're gonna try to put a microchip inside your hand!
you gotta escape you gotta escape you gotta escape bust
out and run
like hell!
the owl and the pyramid
sold lies just to stay alive
all the knowledge you can handle for \$19.95 if you
study historical
knowledge, then you know that we're not free not wisdom
that you find
in textbooks, take a look and ill help you see you
