

# Big Jet Plane

Valley

An angel cries on my shoulder  
And I leave at four in the morning  
I'm so stressed out  
I'm so stressed out  
She says sleep when you're older  
Keep me up and come a little closer  
Can't hear me say  
I'm going away

Life gets lonely on a big jet plane  
Heart feels hollow with a big suitcase  
I wanna bring you, baby, but I just can't stay  
I'm going away, going away, going away

See you everywhere, everywhere I go  
Hotel rooms never feel like home  
I wanna hold you, baby, but I just can't stay  
I'm going away, going away, going away

To collapse in our bed and relax on my chest, while you're scratching  
my head  
And that turns into sex, I know we're gonna be okay  
Life is simple when we hideaway  
But we both got dreams that we gotta chase  
So I need to go, I'm going away

Life gets lonely on a big jet plane  
Heart feels hollow with a big suitcase  
I wanna bring you, baby, but I just can't stay  
I'm going away, going away, going away

See you everywhere, everywhere I go  
Hotel rooms never feel like home  
I wanna hold you, baby, but I just can't stay  
I'm going away, going away, going away

Life gets lonely on a big jet plane  
Heart feels hollow with a big suitcase  
I wanna bring you, baby, but I just can't stay  
I'm going away, going away, going away

See you everywhere, everywhere I go  
Hotel rooms never feel like home  
I wanna hold you, baby, but I just can't stay  
I'm going away, going away, going away

I'm going away, going away, going away
