

## Bop Ba

## Valley

She is a tree  
I'm just a leaf  
We live a life of dependency  
She's scared to know  
I'm scared to grow  
What if I go down swinging?  
It's bound to rain  
On my parade  
I lie awake just singing

Bop ba  
I'm in over my head again  
Bop ba  
She's lying in my bed again

If I blow away  
One windy day  
You'll be OK  
With or without me  
She's scared to know  
I'm scared to grow  
What if I go down swinging?  
It's bound to rain  
On my parade  
I lie awake just singing

Bop ba  
I'm in over my head again  
Bop ba  
She's lying in my bed again  
Bop ba  
I'm in over my head again  
Bop ba  
She's lying in my bed again

Bop ba  
Bop ba

I'm in over my head again  
Bop ba  
She's lying in my bed again

She's scared to know  
I'm scared to grow  
What if I go down swinging?  
It's bound to rain  
On my parade  
I lie awake just singing

I am a bird  
You are a tree  
I flew away and left your branch empty
