

## i thought i could fly

Valley

Twentieth floor, I almost did it  
I get so low, I try to fly  
My hands got tired of all this steering  
They built the car but there's no lights  
Jesus Christ  
I'm taking flight

A train goes by at every evening  
But Mr. Mister changed the track  
It might be going some place I've been reading  
Hey, Mr. Mister, please come back  
Please come back  
Please come back

'Cause I'm in a lifeboat far away  
Sinking deeper every day  
Catching my breath between the waves  
But I'm the one to blame  
I know you wanna save me  
But it's better if you don't  
'Cause a heavy heart is hard to keep afloat  
And if I'm not here tomorrow, I thought you should know
