

Slack pulls through, I'll search for you  
Drink in strides, we'll stumble the night  
I've packed my things, darling you've pulled my strings  
Wipe my eye and you out of sight

You don't hold my heart  
Like you run in dark  
You don't hold my heart  
Like you fell from heights

Slack pulls through, I'll search for you  
Drink in strides, we'll stumble the night  
Yeah, you feel so tired of running (Weight can bind)  
Find me with my shoulders down (Pressure that breaks my spine)  
I will carry you through hallways (Leave in line)  
Find a way to lay you down (Your troubles behind)

You don't hold my heart  
Like you run in dark  
You don't hold my heart  
Like you fell from heights

(One, two, three)  
All I was looking for is catching some time  
But you don't wanna be a friend  
All I was looking for is catching some time  
But you don't wanna be a friend
