

# Can You Save Me Now

Valora

I'm on a mission  
I'm heading for a big collision  
I'm gonna take this plane right off the ground  
I'm on a one-way street no turning back  
And I can't lose what I don't have  
I've always got this one foot in the grave

One step too late  
Just one more and I could break  
It ain't that bad

Can you save me now?  
I'm already gone  
Can you save me now?  
I'm already lost  
Can you save me now?  
I'm already gone  
If you won't help  
Then don't complain  
Can you save me now?

My mama's not there  
She had a dream about me  
That I would one day  
Grow to be a good girl

One step too late  
Just one more and I could break  
It ain't that bad

Can you save me now?  
I'm already gone  
Can you save me now?  
I'm already lost  
Can you save me now?  
I'm already gone  
If you won't help  
Then don't complain  
Can you save me?

Take me, I'm shaking  
From this dream I'm frozen in  
I am ready to be taken somewhere  
So far from here  
Can you save me now?  
Show me how

Can you save me now?  
I'm already gone  
Can you save me n-n-n-n-n-n-n-n-now?  
I'm already lost  
Can you save me now?  
I'm already gone  
If you won't help  
Then don't complain  
Can you save me now?

I want you to save me now  
Take my hand and show me how  
Don't you even dare to make a sound  
If you're not gonna be around so  
I want you to come save me now

If you won't help,  
Then don't complain  
Can you save me now?
