

## Big Blue

### Vampire Weekend

Big blue, for once in my life I felt close to you  
I was so overcome with emotion  
When I was hurt and in need of affection  
When I was tired and I couldn't go home  
Then you offered protection  
So am I learning my lesson?  
Or am I back on my own?

Big blue, for once in my life I felt close to you
