

# I'm Going Down

Vampire Weekend

We sit in the car  
Outside your house  
I can feel the heater coming 'round  
I go to put my arm around you  
And you give me a look like I'm way out of bounds  
Well you let out one of your bored sighs and  
Lately when I look into your eyes

I'm going down, down, down, down  
I'm going down, down, down, down

We get dressed up and we go out  
Baby for the night  
We come home early burning  
Burning in some firefight  
I'm sick and tired of you setting me up yeah  
Setting me up just to knock-a knock-a knock-a me

Down, down, down, down  
I'm going down, down, down, down  
I'm going down, down, down, down  
I'm going down, down, down, down

I pull you close but when we kiss I can feel a doubt  
I remember back when we started  
My kisses used to turn you inside out  
I used to drive you to work in the morning  
Friday night drive you all around  
You used to love to drive me wild but  
Lately girl you get your kicks from just a driving me

Down, down, down, down  
I'm going down, down, down, down  
I'm going down, down, down, down  
I'm going down, down, down, down  
I'm going down, down, down, down

Oh darling I'm going down

I'm going down, down, down, down  
I'm going down, down, down, down
