## The Kids Don't Stand a Chance

## **Vampire Weekend**

A devastating backstroke
All the way from France
With shiny, shiny cufflinks
A shirtsleeve to enhance

The pin-striped men of morning Are coming for to dance With pure Egyptian Cotton The kids don't stand a chance

You criticize the practice By murdering their plants Ignoring all the history Denying them romance

The pin-striped men of morning Are coming for to dance Forty-million dollars The kids don't stand a chance

I didn't like the business, But that was at first glance Your pillow feels so soft now But still you must advance

The pin-striped men of morning The partners in the dance The paper's shot to pieces The kids don't stand a chance
