

Beauty Queen

Vampires Everywhere!

She's like a stained glass mirror that distorts your eyes
She's a catalyst of mutilating sacrifice

She's a beauty queen
From a dirty scene
Her eyes will hypnotize
She's a rock 'n roll
Tragedy in disguise

I'm a dirty angel
She's like a rainbow painted black and white
She's a pyro burning everything in sight

She's a beauty queen
From a dirty scene
Her eyes will hypnotize
She's a rock 'n roll
Tragedy in disguise
I'm a dirty angel
Can't you see me?
Don't you want me?
Can't you see me now?

Can't you see me?
Don't you want me?
Can't you see me?
Can't you see me now?
