

Witch

Vampires Everywhere!

You sold me out for the last time
I bet you think I'd fall apart
Sacrifice me on your altar
That's the only way you'll have my heart
Baby girl, there is no answer
To the venom creeping in your skin
Tattoo letters from our last chapter
That's the only way I'll let you in

It takes one kiss to burn a witch

I like the way you taste
Just let me in (just let me in)
Nothing fake will ever spoil
It takes one kiss to burn a witch
I like the way you taste
Is this the end? (Is this the end?)
Trusting makes the heart disloyal
It takes one kiss to burn a witch
It takes one kiss to burn a witch

You can't see it before it happens
There's a crack in your crystal ball
Fantasize like you crave devotion
We both know you don't care at all
Sabotage me with your potions
I feel the venom creeping in my skin
Serenade me till it's over
Or till I fade and let you in

It takes one kiss to burn a witch

I like the way you taste
Just let me in (just let me in)
Nothing fake will ever spoil
It takes one kiss to burn a witch
I like the way you taste
Is this the end? (Is this the end?)
Trusting makes the heart disloyal
It takes one kiss to burn a witch

Can you feel the pressure
Underneath your skin?
Can you feel your heartbeat stutter
Just let me, let me in
Let me in
Let me in
Let me in

It takes one kiss to burn a witch

I like the way you taste
Just let me in (just let me in)
Nothing fake will ever spoil
It takes one kiss to burn a witch
I like the way you taste
Is this the end? (Is this the end?)

Trusting makes the heart disloyal
It takes one kiss to burn a witch

It takes one kiss to burn a witch
