

# Time and Time Again

Van Canto

Face it your highs turning to dust now  
Don't you think it's time to find another path in life?  
Because you, my friend, just waste your time here  
Day by day, and night by night  
When will you accept what might have been will not arise?

So what! (Don't mind) another round!  
For all our friends and all the others  
We shine so bright in our old stories  
(Time and time again)

So what! (Don't mind) another round!  
Heroic deeds. My house of glory  
Look! This harlot is sweetening my night  
(Time and time again)

Where is your faith? It's going under!  
Pick up yourself and put your goddamned face back into light  
Back to old strength, a fight for courage  
What's past is past, our future is a chance  
When we accept what might have been will not arise.

What the hell do they know?  
Judge a bard's life? No, no, no!  
Another pint, another song  
Time and time again this night will not last long

So what! (Don't mind) another round!  
For all our friends and all the others  
We shine so bright in our old stories  
(Time and time again)

So what! (Don't mind) another round!  
Heroic deeds. My house of glory  
Look! This harlot is sweetening my night  
(Time and time again)

Fighting inner demons  
Contending against someone I know  
Fighting inner demons  
Where was the call? I had nowhere to go  
Fighting inner demons  
I just felt my eagerness grow  
Fighting inner demons  
Time and time and time again

Fighting inner demons  
So many killed, their dead faces they show  
Fighting inner demons  
The smell of perdition. Cadaver winds blow  
Fighting inner demons  
This story is over, so leave me alone  
Fighting inner demons  
Time and time again.  
Time and time again.  
Time and time again.

What the hell do they know?  
Judge a bard's life? No, no, no!  
Another pint, another song  
Time and time again this night will not last long

So what! Another round!  
Tonight we get knocked out

So what! (Don't mind) another round!  
For all our friends and all the others  
We shine so bright in our old stories  
(Time and time again)

So what! (Don't mind) another round!  
Heroic deeds. My house of glory  
Look! This harlot is sweetening my night  
(Time and time again)
