Feelin'

Van Halen

Outta touch most the time
Got a lotta things on my mind
Kickin' down, but where to start?
It's the hardest thing, oh, Lord
Grow it long, shave it off
Life is hard, never soft
I need a change, I need it quick
Before it makes me sick
That's what's on my mind
Now pay attention, watch your back
Pay your dues and stay on track
Got no room to second guess
Puts me under stress, oh Lord
If I were you, if you were me
Wonder who I'd wanna be
With just one wish ya can't refuse
I wouldn't know what to choose
Yeah, feelin', no I don't like
What I been told, I'm feelin'
Feelin', what no one else
Will ever know, I'm feelin'
Ohh, now Black is white and white is black, ah
Got politicians smokin' crack
And John Paul's all bullet proof
And it puts me through the roof and, yeah
If I were you and you were me
I wonder who I'd rather be
And if I had one wish
I uh, I'd take it
Feelin', oh I don't like
What I been told, I'm feelin'
And I'm seein' what no one else
Will ever know, I'm seein'
Come on, feelin'
Hey, I don't understand
These things, I'm feelin', no
Yeah!
Yeah! Oh, yeah!
Oh, yeah! Uh!
Outta touch most all the time
Got too many things on my mind
Shuttin' down
I gotta stop this thing
Yeah, feelin', no I don't like
What I been told, I'm feelin'
And I'm bleedin'
Like no one else will ever know, I'm bleedin'
Whoa, dealin'
I'm dealin' with these things, I'm feelin'
Oh, I'm dreamin'
I'm dreamin', I'm dreamin' things that show me
What I'm seein'
Yeah, seein'
I'm seein' things that don't know
What I'm feelin', yeah
Lord, I've been feelin'
I'm feelin', I'm feelin' things that

I don't, I don't know, I don't know
Lord, what I'm seein'
Yeah, yeah, yeah
Hey, I don't understand

I don't, I don't know, I don't know
Lord, what I'm seein'
Yeah, yeah, yeah
Hey, I don't understand
