

Somebody Get Me a Doctor

Van Halen

Oh yeah

You better call me a doctor, feelin' no pain
Overloaded, down the drain

Somebody get me a doctor

You better call up the ambulance, I'm deep in shock
Overloaded baby, I can hardly walk

Somebody get me a doctor
Somebody get me a doctor

Yeah! I'm feelin' over fine and I'm speedin' down that
line

Yeah baby, call up the doctor
Feelin' high
I'm overloaded baby, I'm sayin', "I'm fine"

Somebody get me a doctor
Somebody get me a doctor
Somebody get me a doctor

Somebody give me a shot
