

# When It's Love

Van Halen

Hey!

Everybody's lookin' for somethin'  
Somethin' to fill in the holes  
We think a lot but don't talk much about it  
'Till things get out of control, oh!

How do I know when it's love?  
I can't tell you but it lasts forever  
Oh! How does it feel when it's love?  
It's just somethin' you feel together  
When it's love

You look at every face in a crowd  
Some shine and some keep you guessin'  
Waiting for someone to come into focus  
Teach you your final love lesson  
Ooh!

How do I know when it's love?  
I can't tell you but it lasts forever  
Oh! How does it feel when it's love?  
It's just something you feel together

(Oh oh oh oh) Oh, when it's love  
(Oh oh oh oh) You can feel it, yeah!  
(Oh oh oh oh) Nothin's missin', yeah!

(Oh oh oh oh) Yeah, you can feel it  
(Oh oh oh oh) Oh, when it's love  
(Oh oh oh oh) When nothin's missing, ow!

How do I know when it's love?  
I can't tell you but it lasts forever  
Ooh, how does it feel when it's love?  
It's just something you feel together, hey!

How do I know when it's love?  
I can't tell you but it lasts forever  
When it's love  
Ooh, when it's love  
Hey! It'll last forever

(Na na na-ah na na)  
When it's love  
(Na na na-ah na na)  
(Na na na-ah na na)  
(Na na na-ah na na)  
You and I, we're gonna feel this thing together  
(Na na na-ah na na) (repeat to end)  
When it's love, ooh  
When it's love, baby  
You can feel it, yeah!  
We'll make it last forever  
Ooh-ooh, when it's love
