

# Why Can't This Be Love

Van Halen

**C Am/G F G**

**D A5**

Oh, here it comes that funny feelin' again

**F G E**

Winding me up inside every time we touch

**D A5**

Hey, I don't know, just tell me where to begin

**F G E**

Cause I never ever felt so much

**B F E F G**

No, I can't recall any love at all, baby this blows 'em all away

**C Am Am/G C F G C**

It's got what it takes, so tell me why can't this be love

**Am Am/G C/F F G Am**

Straight from the heart, oh, tell me why can't this be love

**D A5**

I tell myself, hey, only fools push in

**F G E**

An' only time will tell, if we stand the test of time

**D A5**

All I know, you've got to run to win

**F G E**

An' I'll be damned if I'll get hung up on the line

**B F E F G**

No, I can't recall anything at all, baby this blows 'em all away

It's got what it takes ...

**C Am Am/G C F G C**

It's got what it takes, so tell me why can't this be love

**Am Am/G C/F F G**

Straight from the heart, oh, tell me why can't this be love
