

# Blue Funk

Van Morrison

I didn't make the call  
'Cause I was in a blue funk  
Kind of went AWOL  
I fell into a blue funk  
Pull myself out of the mire  
Lift myself a little higher  
Get out of this blue funk

Not preaching to the choir  
Talkin' bout a blue funk  
Move on up a little higher  
Got to get out of this blue funk  
Stop listening to the mainstream media junk  
Look how far we've sunk  
Blue funk

Yeah, yeah, yeah  
Blue funk, blue funk  
Blue funk, blue funk

Get out of the mire  
Get out of the mire  
Come on up a little higher  
Move on up a little higher  
Don't take it any further, brother  
Get out of this blue funk  
Blue funk, blue funk

Blue funk, blue funk  
Blue funk, blue funk

I didn't make the call  
'Cause I was in a blue funk  
I kind of went AWOL  
'Cause I was in a blue funk  
Can't stop listening to the TV junk  
Look how far we've sunk  
Get out of this blue funk

Blue funk, blue funk  
Blue funk, blue funk  
Get out of this blue funk, blue funk  
Blue funk, blue funk

Blue funk, blue funk  
Blue funk, blue funk
