

# Blueberry Hill

Van Morrison

I found my thrill  
On Blueberry Hill  
On Blueberry Hill  
When I found you

The moon stood still  
Upon Blueberry Hill  
And lingered until  
My dreams came true

The wind in the willow played  
Love's sweet melody  
And all of those vows we made  
Were never to be  
Never to be

Though we're apart  
I'm part of you still  
'Cause you were my thrill  
Upon Blueberry Hill

The wind in the willow played  
Love's sweet melody  
And all of those vows you made  
Were never to be

Though we're apart  
I'm part of you still  
'Cause you were my thrill  
On Blueberry Hill

I found my thrill  
Back on Blueberry Hill  
On Blueberry Hill  
When I found you

Well, the moon stood still  
Upon Blueberry Hill  
And lingered until  
My dreams came true
