

# Diabolic Pressure

Van Morrison

Diabolic pressure, diabolic pressure  
Keeps gettin' worse 'fore it gets much better  
It keeps killin' ya', killin' ya', killin' ya', killin' ya', bringin' ya' down  
It keeps killin' ya', killin' ya', killin' ya', killin' ya', bringin' ya' down

Pleasin' everybody, know it gets ya' nowhere  
Pleasin' everybody, a-what the hell do they care  
They're just killin' ya, killin' ya', killin' ya', killin' ya', bringin' ya' down  
Killin' ya, killin' ya', killin' ya', killin' ya', bringin' ya' down

Oh no!  
Ain't gonna be your boy no more  
Ya' got one less foolin' behind the store  
Tried my best to please you, please you to the letter  
Anything is better than this diabolic pressure

Not workin' for you (Not workin' for you)  
Not workin' for you no more  
Not workin' for you (Not workin' for you)  
Not workin' for you no more

Just doesn't make true (Just doesn't make true)  
Just doesn't make true no more  
Just doesn't make true (Just doesn't make true)  
Just doesn't make true no more  
Workin' for me

Diabolic pressure, diabolic pressure  
Just keeps gettin' worse 'fore it gets much better  
Killin' ya', killin' ya', killin' ya', killin' ya', bringin' ya' down

Oh no, gonna be your boy no more  
Ya' got one less foolin' behind the store  
Tried my best to please you, please you to the letter  
Anything is better than this diabolic pressure

Not workin' for you (Not workin' for you)  
Not workin' for you no more  
Not workin' for you (Not workin' for you)  
Not workin' for you no more

Just doesn't make true (Just doesn't make true)  
Just doesn't make true no more  
Just doesn't make true (Just doesn't make true)  
Just doesn't make true no more

Ooh, workin' for me  
Workin' for me, workin' for me  
Workin' for me, ooh, workin' for me  
Workin' for me, workin' for me  
Workin' for me, yeah, yeah, yeah
