

Dimples

Van Morrison

Well, I see you every day in my neighbourhood
Well, I see you every day in my neighbourhood
Well, I see you every day
You're my baby, I got my eyes on you

Well, I love to see you walk
Up and down my street
When you walk that walk
And you talk that talk
Yeah, you're my baby, I got my eyes on you

You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You're my baby, I got my eyes on you

Well, I see you every day in my neighbourhood
Well, I see you every day in my neighbourhood
Well, I see you every day
You're my baby, I got my eyes on you

You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You're my baby, I got my eyes on you

You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You're my baby, I got my eyes on you
I got my eyes on you

You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You're my baby, I got my eyes on you

You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You're my baby, I got my eyes on you
