

# Flip, Flop And Fly

Van Morrison

When I get the blues, get me a rockin' chair  
When I get the blues, get me a rockin' chair  
Well, if the blues overtake, gonna rock me away from here

When I get lonesome, I jump on the telephone  
When I get lonesome, I jump on the telephone  
Well, I call my baby, say I'm on my way back home

Flip, flop and fly  
You know the reason why  
Said flip, flop and fly  
Please, don't you make me cry  
Don't ever leave me, don't ever say goodbye

I'm like a Mississippi bullfrog, sittin' on a hollow stump  
I'm like a Mississippi bullfrog, sittin' on a hollow stump  
Got so many women, I don't know which way to jump

Well so flip, flop and fly  
You know the reason why  
Said flip, flop and fly  
You're gonna get me high  
Don't ever leave me, don't ever say goodbye

Give me one kiss, baby, and hold it a long long time  
Give me just one kiss, hold it a long long time  
I wanna feel that kiss go to my head like wine

Well flip, flop and fly  
You know the reason why  
Said flip, flop and fly  
I'm reaching for the sky  
Don't ever leave me, don't ever say goodbye

Said flip, flop and fly  
You know the reason why  
Said flip, flop and fly  
You're gonna get me high  
Don't ever leave me, don't ever say goodbye

Here comes my baby, flashin' her new gold tooth  
Here comes my baby, flashin' her new gold tooth  
Well she looks so good now standing in a pay phone booth

Flip, flop and fly  
You know the reason why  
Flip, flop and fly  
Don't you leave me high and dry  
Don't ever leave me, don't ever say goodbye

Flip, flop and fly  
You know the reason why  
Flip, flop and fly  
You're gonna get me high  
Don't ever leave me, don't ever say goodbye
