

# Greenback Dollar

Van Morrison

I don't want your greenback dollar  
I don't want your silver chain  
All I want is your love, darling  
Won't you take me back again

I was born in east Virginia  
North Carolina I did go  
There I met a [?] young stranger  
But her name I did not know

Now I don't want (I don't want) your greenback dollar (greenback dollar)  
I don't want (I don't want) no silver chain (silver chain)  
All I want (all I want) is your love, darling (is your love, darling)  
Want you to take me back again

Your Papa said we cannot marry  
My Mama said it will never do  
If you ever [?]  
I can run, run, run away with you

Well, I don't want (I don't want) your greenback dollar (greenback dollar)  
I don't want (I don't want) no silver chain (silver chain)  
All I want (all I want) is your love, darling (is your love, darling)  
Want you to take me back, take me back again  
(One more time)

I don't want (I don't want) your greenback dollar (greenback dollar)  
I don't want (I don't want) no silver chain (silver chain)  
All I want (all I want) is your love, darling (is your love, darling)  
Won't you take, take, take, take, take me back again  
Won't you take, take, take, take, take me back again  
Want you to take, take, take, take me back again  
Want you to take, take, take me back again
