

# Here Comes the Night

Van Morrison

Whoa, here it comes  
Here comes the night  
Here comes the night  
Whoa-whoa-whoa-yeah

I could see right out my window  
Walkin' down the street, my girl  
With another guy

His arm around her  
Like it used to be with me  
Whoa, it makes me want to die-i

Yeah-yeah-yeah  
Well, here it comes  
Here comes the night  
Here comes the night  
Whoa-whoa-whoa-whoa-yeah

There they go  
It's funny how they look so good together  
Wonder what is wrong with me?  
Why can't I, accept the fact she's chosen him  
And simply let them be?  
Whoa-whoa-whoa

Well, here it comes  
Here comes the night  
Here comes the night  
Whoa-whoa-whoa-yeah

She's with him He's turning down the lights  
And now he's holding her  
The way I used to do

I could see, her closing her eyes  
And tellin' him lies  
Exactly like she told me, too  
Yeah-yeah-yeah

Well, here it comes  
Here comes the night  
The long, the long and lonely night Night, night, night, night, night  
, night  
FADES-  
Whoa, here comes the night  
The long, the long, the long and lonely night
