

# In the Afternoon

Van Morrison

The light is fading in the afternoon  
Won't you see me baby in my room  
There's something that I want to say to you  
Tell me baby am I getting through  
Want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
In the afternoon, in the afternoon

The light is fading from across the way  
I see you coming baby every day  
I see you running, running from across the field  
And I want to know if you can feel the same as me  
Cause I want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
In the afternoon, in the afternoon

The wind is howling baby outside the shack  
Train whistle blowin' from across the track  
Get on my wavelength, and you set me free  
I just want to be everything you want me to be  
Want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
In the afternoon, in the afternoon

The moon is sinking way across the trees  
I can see my baby but she can't see me  
I've got a longing deep within my soul  
I have to take it there and let it roll  
Want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
Want to make, want to make, want to make, want to make  
Love to you  
In the afternoon, make love in the afternoon  
Make love in the afternoon

Let it roll  
You got me reelin' and a-rockin' and rollin' again

Let it roll  
You got me reelin' and a-rockin' and rollin' and rollin' again  
Oh, I'm rollin' and tumblin', and I'm rollin' and tumblin'  
And I'm talkin' all outta my mind baby

Let it roll  
You got me reelin' and a-rockin'  
And I'm talkin' all outta my mind

I'm talkin' all outta my mind  
Make love in the afternoon  
Make love in the afternoon  
Make love in the afternoon
