

It Hurts Me Too

Van Morrison

Been turned over
Can't see my child
Is it any wonder that
I've got a troubled mind
When things go wrong
It just ain't right
And it hurts me too

I pray to God above that
My baby's gonna be alright
I pray morning, noon
Morning, noon and night
When things go wrong
It just ain't right
And it hurts me too

I've been to the Court of Appeal
I've been back to the High
My bank account keeps on getting drained dry
And things go wrong
Got to keep up the fight
But it hurts me too
Yeah it hurts me too
Yeah, yeah, yeah, yeah

There's too many pigs feeding
Feeding out of the same trough
Will it ever get to the stage
When enough is enough?
When things go wrong
Got to call their bluff
Even if it hurts me too
Even if it hurts me too

I've been to the Court of Appeal
I've been right back to the High
My bank account is always being sucked dry
When things go wrong
Got to fight, got to fight
Even if it hurts me too
Even if it hurts me too
Yeah, yeah, yeah

When things go wrong, I know it ain't right
Then it hurts me too
It hurts me too
