

Let's Get Lost

Van Morrison

Let's get lost
Lost in each other's arms
Let's get lost
Let them send out alarms
And though they might think it's rather rude I know
Just tell the world we're feeling
In a crazy mood

Let's defrost
In a romantic mist
I wanna get crossed
Off everybody's list
Celebrate this day
We found each other
Baby, let's get lost...

Let's get, let's get lost
Lost in each other's arms
Let's get lost
Let them all sound their alarms
Oh they might think it's rather rude
I know, I know
Tell them all
Tell them all that we're feeling
In a crazy mood

Let's defrost
In a romantic mist
Let's get crossed
Off everybody's list
Let's celebrate this day
This time we found each other
Oh baby, I just wanna get lost
With you
I wanna get
Wanna get
Lost
Lost, baby
Let's get lost
