

Lucille

Van Morrison

Lucille, you don't do your daddy well?
Oh, Lucille, you don't do your daddy's will?
You ran off and married, but I love you still

Lucille, please, come back where you belong
Lucille, please, come back where you belong
Been good to you, baby, please, don't leave me alone

I woke up this morning, Lucille was not in sight
I asked my friends about her but all their lips were tight
Lucille, baby, satisfy my heart
I played for it, baby, and gave you such a wonderful start

I woke up this morning, Lucille was not in sight
I asked my friends about her but all their lips were tight
Lucille, baby, satisfy my heart
I played for it, baby, and gave you such a wonderful start

Lucille, please, come back where you belong
Lucille, please, come back where you belong
I been good to you, baby, please, don't leave me alone

I woke up this morning, Lucille was not in sight
I asked my friends about her but all their lips were tight
Lucille, baby, satisfy my heart
I played for it, baby, and gave you such a wonderful start

Lucille, please, come back where you belong
Lucille, please, come back where you belong
Been good to you, baby, please, don't leave me alone
