

Madame George

Van Morrison

Down on Cyprus Avenue
With a childlike vision leaping into view
Clicking, clacking of the high heeled shoe
Ford and Fitzroy, Madame George

Marching with the soldier boy behind
He's much older with hat on drinking wine
And that smell of sweet perfume comes drifting through
The cool night air like Shalimar

And outside they're making all the stops
The kids out in the street collecting bottle-tops
Gone for cigarettes and matches in the shops
Happy taken Madame George

That's when you fall
Whoa, that's when you fall
Yeah, that's when you fall
When you fall into a trance

A sitting on a sofa playing games of chance
With your folded arms and history books
You glance into the eyes of Madame George

And you think you found the bag
You're getting weaker and your knees begin to sag
In the corner playing dominoes in drag
The one and only Madame George

And then from outside the frosty window raps
She jumps up and says, Lord, have mercy I think it's the cops
And immediately drops everything she gots
Down into the street below

And you know you gotta go
On that train from Dublin up to Sandy Row
Throwing pennies at the bridges down below
And the rain, hail, sleet, and snow

Say goodbye to Madame George
Dry your eye for Madame George
Wonder why for Madame George

And as you leave, the room is filled with music
Laughing, music, dancing, music all around the room
And all the little boys come around, walking away from it all

So cold, and as you're about to leave
She jumps up and says, hey love, you forgot your gloves
And the gloves to love, to love the gloves

To say goodbye to Madame George
Dry your eye for Madame George
Wonder why for Madame George
Dry your eyes for Madame George

Say goodbye in the wind and the rain on the back street

In the backstreet, in the back street
Say goodbye to Madame George

In the backstreet, in the back street, in the back street
Down home, down home in the back street
Gotta go, say goodbye, goodbye, goodbye
Dry your eye, your eye, your eye, your eye, your eye

Say goodbye to Madame George
And the loves to love to love the love
Say goodbye, ooo, mmm
Say goodbye goodbye, goodbye, goodbye to Madame George

Dry your eye for Madame George
Wonder why for Madame George
The love's to love, the love's to love, the love's to love
Say goodbye, goodbye

Get on the train
Get on the train, the train, the train
This is the train, this is the train
Whoa, say goodbye, goodbye
Get on the train, get on the train
