

# Oh Lonesome Me

Van Morrison

Everybody's going out, having fun  
Just a fool for staying home and having none  
I can't get over how she set me free  
Oh, lonesome me

A sad mistake I'm making 'bout just hanging 'round (hanging 'round)  
I know that I should have some fun and paint the town (paint the town)  
A lovesick fool, I'm blind and just can't see  
Oh, lonesome me

Bet she's not like me, she's out and fancy-free  
Flirting with the boys with all her charms  
But I still love her so, and brother, don't you know  
I'd welcome her right back here in my arms

There must be some way I can lose these lonesome blues (lonesome blues)  
Forget about the past and find somebody new (somebody new)  
I've thought of everything from A to Z  
Oh, lonesome me, yeah

Take it to the bridge

I know she's not like me, she's out and fancy-free  
Flirting with the boys with all her charms  
But I still love her so, and brother, don't you know  
I'd welcome her right back here in my arms

There must be some way I can lose these lonesome blues (lonesome blues)  
Forget about the past and find somebody new (somebody new)  
I've thought of everything from A to Z

Oh, lonesome me  
Oh, lonesome me  
Oh, lonesome me  
Oh, lonesome me
