

Shake Rattle And Roll

Van Morrison

Get out of that bed
Wash your face and hands
Get out of that bed
Wash your face and hands
Get on in the kitchen
Make some noise with the pots and pans

On your way down dress 'cause the sun come shining trough
Way down dress 'cause the sun come shining trough
I just can't believe all that mess belongs to you

I believe to my soul you're the devil and I'm the host
I believe to my soul you're the devil and I'm the host
Well, the harder I work the faster my money go
All you wanna do is

Shake, rattle and roll
Shake, rattle and roll
With the feeling
Shake, rattle and roll
Every morning and the evening
Shake, rattle and roll
But you don't do right
Shake, rattle and roll
Save your doggone soul
Shake, rattle and roll

I'm like a one-eyed cat, cat
Peeping in a sea-food store
I'm like a one-eyed cat
Peeping in a sea-food store
Yeah, I can look at you
And see that you ain't charm no more
Everybody's gotta sing

You gotta shake rattle and roll
Every morning now come on
Shake, rattle and roll
And the evening time
Shake, rattle and roll
Shake, rattle and roll
Shake, rattle and roll
Shake, rattle and roll

I believe to my soul you're the devil and I'm the host
I believe to my soul you're the devil and I'm the host
All you want do right
To save your doggone soul

You gotta shake rattle and roll
Shake, rattle and roll
In the morning now come on
Shake, rattle and roll
In the evening time
Shake, rattle and roll
All you want do right
To save your doggone soul

Come on we'll shake it again

Shake, rattle and roll
Shake, rattle and roll
Shake, rattle and roll
Come on
Come on
Shake, rattle and roll
We won't do right
To save your doggone soul

Get out of that bed
Wash your face and hands
Sing it with me
Sing it with me
Get out of that bed
Wash your face and hands
Get on in the kitchen
Make some noise with your pots and pans

On your way down dress 'cause the sun come shining trough
When you wear that dress 'cause the sun come shining trough
I can't believe
I can't believe all that mess belongs to you
All I wanna do is this

You gotta shake rattle and roll
Shake, rattle and roll
Shake, rattle and roll
Shake, rattle and roll
Shake, rattle and roll
If you won't do right
To save your doggone soul

One more time

I said shake rattle and roll
Shake, rattle and roll
Shake, rattle and roll
Shake, rattle and roll
Won't do right
To save your doggone soul
