Shakin’ All Over

Van Morrison

When you move in right up close to me
That's when I get the shakes all over me

Quivers down my back bone
Just the shakes down my thigh bone
Tremors in my knee bone
Shakin' all over

Just the way you say goodnight to me
Brings that feeling on inside of me

Quivers down my back bone
I've got the quivers down the thigh bone
Tremors in my knee bone
Shakin' all over

Just the way you say goodnight to me
Brings that feeling on inside of me

Quivers down my back bone
I've got the tremors in my knee bone
Shivers in my back bone
Shakin' all over

Be shake it and I like it, baby and you
Be shake it and I like it, baby and you

Well, you make me shake and I like it, baby
