

Spirit Will Provide

Van Morrison

Spirit will provide beyond the light
Spirit will provide beyond the white
Spirit will provide
Spirit will provide

Let go, let go and then Spirit will provide
Change your thought and it will change your mind
Spirit will provide
Spirit will provide

It's no mystery when you can see clearly
Vibrating at a higher frequency
Fill your purpose as you go about life daily
Understanding what it means to clearly see, yeah

Spirit will provide when you feel down
Plug in too, don't buy what's doing round
Spirit will provide
Spirit will provide

It's no mystery when you can see clearly
Vibrating, vibrating at a higher frequency
Fulfilling your purpose as you go about life daily
Understanding what it means to clearly see, yeah, yeah

Spirit will provide now dry your eyes
Spirit will provide now don't you cry
Spirit will provide
Spirit will provide
Oh, Spirit will provide
Spirit will provide
Spirit will provide
Spirit will provide
Spirit will provide
Spirit will provide
