

# Stomping Ground

Van Morrison

Take me down the Strandtown  
Take me down to Orangefield  
Take me right back to Bloomfield Village  
Back to my old stomping ground

Take me down to Lord Street  
Take me right back to Helm Grove  
Take me down to the Hyndford Street  
She'll see where I started from

Take me down to Mystic Avenue  
In the golden, golden autumn time  
Take me down to St. Thomas Church of Ireland  
Found me here, the sound of six bells chime

Take me down to the corner of Woodcot Avenue  
Where the corner boys used to hang  
Take me down to John Long's corner  
Let me drive by a bunch of creeps

Take me back to the Mystic Avenue  
In the golden, golden autumn time  
Take me back to the Church of Ireland  
My halos, Sunday six bells chime

Take me down to Strandtown  
Take me down to Orangefield  
Take me back to the Bloomfield Village  
Back to the old stomping ground

Back to my old stomping ground  
Back to my old stomping ground
