

# Teardrops

Van Morrison

Teardrops on my pillow  
As water's in my baby's bath  
Teardrops on my pillow  
As water's in my baby's bath

Everything I've done for that woman  
She went and left me for another man

And I wanna see my baby  
Till I'd be crying down on my knees  
And when I see my baby  
Tell her I'd be crying down on my knees

I've been praying to the master  
Lord, lord oh send my baby back, if you please

If I had ten million dollars  
I would just give her every dime  
If I had ten million, ten million dollars  
Lord, lord I'd give her every dime, yeah

Just to hear her call my name oh  
Call, call my name up one more  
One more time, one more time  
One more time, one more time  
One more time, one more time  
One more, one more, one more, one more

Mmm  
Woah, yeah, alright  
Mmm

If I had ten billion dollars  
Man, man I would give her  
E-ve-ry, every, every dime  
If I had ten billion dollars man  
I would give her  
Give her every, every, every dime

Just to hear her call my name out  
Call! Call my name out!  
Just one more, one more time  
Oh one more time, one more time

Just to call my name, call my name out  
Ow! Call my name out, just, one more time  
One more  
One more time
