Rhythm and Blues was their name  
Rhythm and Blues was their game  
Well, they romped and stomped to the rock 'n' roll  
You can't stop them to save your soul  
Rhythm and Blues was their name

Two hound dogs just sittin' on a stump  
Diggin' that music, they started to jump  
They can't dance well, I ain't got no shoes  
Two ol' dogs named Rhythm and Blues

A little white rabbit crossed the road  
Rockin' and a-rollin' like a crazy toad  
Rhythm said, "Blues, I'll match your ace  
We'll run that rabbit all over the place"
