

Up On Broadway

Van Morrison

Up on Broadway
Far away from trouble
Up on Broadway, baby
Feel like we're living in a bubble
And the city lights
Stretching out way down below
Up on Broadway, baby
It's where I wanna go

Up on Broadway
When the night is quiet and still
Up on Broadway, baby
High upon the hill
Stretching out across the bay
And the early morning light
Up on Broadway
Man, it's outta sight

Down to North Beach
In the parks of the West
That's the place that I like to go
Like to go the best
Take a walk with me
Just to see what we can see
Up on Broadway, baby
Sounds just like a symphony

Up on Broadway, Broadway, Broadway, Broadway
So far away, far away from trouble
Up on Broadway, baby
Feel like we're living in a bubble
And the city lights are stretching
Stretching way down in the city down below
Up on Broadway, baby
Got to get on with the show

Up on Broadway, baby
Got to get on with the show
Broadway, Broadway, Broadway, Broadway
Broadway, Broadway, Broadway, baby
Take a walk with me
Take a walk with me
In the evening time
In the evening time's where we gotta be
Up on Broadway, baby
Up on Broadway, give me five
Up on Broadway, Broadway, Broadway, Broadway
It's so good to be alive
Give me five
Give me five
Give me five
It's so good to be alive
Up on Broadway
Give me five
Give me five
So good to be alive
Up on Broadway, baby

Up on Broadway, Broadway
