

# Wild Night

Van Morrison

1. As you brush your shoes and stand before the mirror  
**Em** **G**  
**Em** **G**  
And you comb your hair and grab your coat and go out  
**Em** **G** **Em**  
And you walk the wet streets tryin' to remember  
**C** **D** **G**  
All the wild night breezes in your memory ever

R: And everything looks so complete  
**Em** **C** **F/C**  
**Em** **C** **F/C**  
When you're walkin' out on the street  
**Em** **C**  
And the wind will catch your feet  
**F/C** **D**  
And send you flyin' crying

**Em** **C** **D** **Em** **D** **G**  
Ooh wee the wild night is callin'  
**Em** **C** **D** **Em** **D** **G**  
Ooh wee the wild night is callin'

2. And all the girls walk by dressed up for each other  
And the boys do the boogie woogie on the corner of the street  
And the people passin' by just stare in wild wonder  
And the inside juke box roars out just like thunder

R: And everything looks...

\*: The wild night is callin'  
**Em** **G**  
The wild night is callin'  
**G** **Em** **G** **Em**  
Come on out and dance come out and make romance  
**Em** **C** **D** **G**  
Come on out and dance come on out and make romance

R: And everything looks...
