

Awesome God

Van Zant

I see it in your face
I hear it in your voice
Yeah, something's happening
Oh, to you, yeah, to you
His spirit's jumping on you
I can see it coming through
Go spread the word of God's love
Oh, you can't hold back
No, you can't hold back
Shower the world with His truth
Teach the children well
Go tell them of salvation
Bout the good news
Oh, the good news

Our God (Our God) is an awesome God
He's an awesome God
Oh, an awesome God
Our Lord (Our Lord)
Oh, He's coming back
Yeah, He's coming back
Oh, He's coming back
For me and you

I'm gonna follow you, my Lord
For the rest of my days
I know you died for all of us
You're every breath I take
I want to tell the world my story
And how I gave my life to you
I prayed the sinner's prayer, Lord
I've been renewed I am renewed

Our God is an awesome God
He's an awesome God
Oh, an awesome God
Our Lord (Our Lord)
Oh, He's coming back
Yeah, He's coming back
Oh, He's coming back
For me and you

God is an awesome God
He's an awesome God
Oh, an awesome God
Our Lord (Our Lord)
Oh, He's coming back
Yeah, He's coming back
Oh, He's coming back
For me and you

Yeah, he loves us
Yeah, he loves you
Oh, he loves you
Our God
Oh, He's an awesome, awesome God

Our God is an awesome God
He's an awesome God
Oh, an awesome God
Our God is an awesome God
He's an awesome God
Oh, an awesome God
Our God is an awesome God
He's an awesome God
Oh, an awesome God
Our God, He's an awesome God
He's an awesome, awesome God
