

## It's Only Money

Van Zant

Grandpa used to keep his money  
Buried three foot deep in mason jars  
He forgot more times than not  
Where he left it stashed out in the yard  
He told us before he died  
?Boys, don?t do what I did  
Save enough to get you by  
And go spend all the rest?  
It?s only money, that?s all it is  
Harder to make it than it is to spend  
Can?t take it with ya, so don?t let it get ya  
It?s only money, yeah  
The waiter said, ?Our featured wine  
Tonight?s a California Merlot  
May I suggest the calamari  
Oysters or the escargot??  
She looked at me and smiled  
And in those blue eyes I got lost  
I said bring us one of each of them  
I don?t care what it costs  
It?s only money, that?s all it is  
Harder to make it than it is to spend  
Can?t take it with ya, so don?t let it get ya  
It?s only money, oh, it?s only money  
She found that diamond bracelet  
In the window of a jewelry store downtown, oh, no  
She said I like the way it sparkles  
As she kissed me and I pulled my wallet out, yes, I did  
If it makes her happy  
I don?t care how much they charge  
I still got a closet full of grandpa?s mason jars  
It?s only money, that?s all it is  
Harder to make it than it is to spend  
Can?t take it with ya, so don?t let it get ya  
It?s only money  
Oh, it?s only money, that?s all it is  
Harder to make it than it is to spend  
Can?t take it with ya, so don?t let it get ya  
It?s only money, money, money, money  
Oh, it?s only money  
It?s only money  
It?s only money  
It?s only money, oh, it?s only money
