

Disgusting!

Vana

I'm disgusting
Like it icky sticky
Bitch I wouldn't trust me
Suck the blood up off the knife
You know I'm lusting
Spit it out, lick it up
Like it's nothing
You're fucking nothing
I'm disgusting
Like it icky sticky
Bitch I wouldn't trust me
Suck the blood up off the knife
You know I'm lusting
Spit it out, lick it up
Like it's nothing
You're fucking nothing

Call the nurse
I think I slipped a Franklin in her purse
And on the way out
I asked her very nicely "make it hurt"
Poison your IV line
Stalking yeah I'm feline
P U S S S S Y

Did I spell that right?
Who turned out the lights
You probably should have learned to block my visitation rights
You look pathetic
If your life goes on that's because I've let it
But why would I when what's in your pants resembles anesthetic? Cause

You're on borrowed time
DOA no flatline
Hook the tag around ya
You're such a fuckin swine
Let's tussle on your grave
Promise I'll misbehave
You know I'm not the only
Heavy dirty soul He couldn't save

I'm disgusting
Like it icky sticky
Bitch I wouldn't trust me
Suck the blood up off the knife
You know I'm lusting
Spit it out, lick it up
Like it's nothing
You're fucking nothing
I'm disgusting
Like it icky sticky
Bitch I wouldn't trust me
Suck the blood up off the knife
You know I'm lusting
Spit it out, lick it up
Like it's nothing
You're fucking nothing

I'm delivering the bad news
Baby I'm a flesh wound
I'm not gonna kiss it kiss it
More than just a boo boo

I'm an infection
In your midsection
Are you thinking 'bout me I can see your E-
EW!

"I'm a fun guy"
What type? Probably black mold
Growing in your damp spots
Irritate my eye holes
Dirty, I'm grimey
Slippin' yeah I'm slimey
Never would have thought a dick would ever wanna try me. 'Cause

You're on borrowed time
DOA no flatline
Hook the tag around ya
You're such a fuckin swine
Let's tussle on your grave
Promise I'll misbehave
You know I'm not the only
Heavy dirty soul He couldn't save

I'm disgusting
Like it icky sticky
Bitch I wouldn't trust me
Suck the blood up off the knife
You know I'm lustin'
Spit it out, lick it up
Like it's nothing
You're fucking nothing
I'm disgusting
Like it icky sticky
Bitch I wouldn't trust me
Suck the blood up off the knife
You know I'm lustin'
Spit it out, lick it up
Like it's nothing
You're fucking nothing
