

# Foggy Windows

Vana

The second you looked at me  
I knew I didn't wanna wait till we got home  
Yeah you could call me easy  
But I make you the opposite and boy, it shows

Just so you know  
I want you fogging up my windows  
Press my accelerator nice and slow  
Yeah you'll be driving with your eyes closed  
(And I know that you like my)  
Hands on your throat  
You're struggling to keep your eyes on the road  
Lower the seat back babe as far as it goes  
I know you love it when I take control  
Let's see how loud this thing goes

Hit the brakes you're not thinking straight 'cause  
I'm not the one here that's gotta indicate I  
Didn't stutter, hit the gutter  
Stopping at a red then you're running through another  
Baby I can tell that you're liking me yeah  
I don't wanna drive down a one way street  
Feel you shudder, be my lover  
Don't make me make you pull over

Just so you know  
I want you fogging up my windows  
Press my accelerator nice and slow  
Yeah you'll be driving with your eyes closed  
(And I know that you like my)  
Hands on your throat  
You're struggling to keep your eyes on the road  
Lower the seat back babe as far as it goes  
I know you love it when I take control  
Let's see how loud this thing goes

Oh oh oh!  
La la la la la la la  
La la la la la  
Ba da da da da  
Oh, oooh, oh  
Oh no, taking control  
I want you foggin' up  
Foggin' up  
All my windows  
Oh, oh, oh, oh

Just so you know  
I want you fogging up my windows  
Press my accelerator nice and slow  
Yeah you'll be driving with your eyes closed  
(Ha ha ha oh fuck)  
Hands on your throat  
You're struggling to keep your eyes on the road  
Lower the seat back babe as far as it goes  
I know you love it when I take control  
Let's see how loud this thing goes
