

Pretty Boy!

Vana

I know what you want
Tell me, is this love?
We can fall in lust
But that's never enough
Would you be my boy? (Oh, oh)
My pretty pretty boy? (Ah, ah)
Would you be my boy?
My pretty pretty boy?

I know you're hoping that I'll move in closer
Just ask me nicely from your knees
Politely begging me to come on over
You look so cute when you say please

I'm not gonna lie, you don't look like the type of guy
Who likes to kiss all of the girls then fuck 'em up and make 'em cry
So just unwrap me like I'm candy
Look! There's a surprise inside
And after just one lick you're an addict and begging to be mine

Pretty pretty boy
Look, there's no need to be coy!
We both know what happens next
Since you've been dreaming 'bout my
Hands around your neck
Pretty pretty boy
Take a seat, relax, enjoy
You'll get what you bargained for
Maybe a little more
So what you waiting for?
Come here, pretty boy

Why are you trembling?
Why are you crying?
Oh, please stop being such a tease
Just wear your mouth the way you know I like it
I like you best when you can't breathe

Pretty pretty boy
Look, there's no need to be coy!
We both know what happens next
Since you've been dreaming 'bout my
Hands around your neck
Pretty pretty boy
Take a seat, relax, enjoy
You'll get what you bargained for
Maybe a little more
So what you waiting for?
Come here, pretty boy

I know what you want
Tell me, is this love?
We can fall in lust
But that's never enough
Would you be my boy?
My pretty pretty boy?
Would you be my boy?

My pretty pretty boy?
