**Em C G G (4x)**

**Em C G**  
1. Talking like we used to do

**Em C G**  
It was always me and you

**Em C G**  
Shaken up and shippin' out

**Em C G**  
Check me in and check me out

**Em C G**  
Do you like walking in the rain

**Em C G**  
When you think of love, do you think of pain

**Em C G**  
You can tell me what you see

**Em C G**  
I will choose what I believe

**G C/G**  
R: Hold on, darling

This body is yours, this body is yours and mine

**G C/G**  
Hold on my darling

(**Em**)  
This mess was yours, now your mess is mine

**Em C G G (4x)**

2. See you in the market place  
Walking around at 8 AM  
Got two hours before my flight  
Rub me on my side tonight

You're the reason that I feel so strong  
The reason that I'm hanging on  
You know you gave me all that time  
Did I give.....

R: Hold on, darling....

**Em C G G (4x)**

**Em C**

**G D**  
You're talking in your sleep, out of time  
**Em C**

**G D**  
Well you still make sense to me, your mess is mine

**Em C G G**
