I am not guilty of this crime
Have mercy upon me O God,
O God, send a guardian
to hold back the lions in their strength,
Have mercy, O God
Have mercy, O God
Have mercy, O God

I am not guilty of this crime
from the deep I called you God
from the deep I called
Have mercy, O God
Have mercy, O God
Have mercy, O God
Have mercy, O God
Have mercy, O God

God, have mercy
God, have mercy
Have mercy, O God
Have mercy
God, have mercy
God, have mercy
O God
Have mercy, O God
Have mercy
