

## Vision 16teen \* Diabolica Comedia

Vanden Plas

Midway into the dark  
Straight forward pathway had been lost  
I thought I had to find the cipher  
Of Dante's Comedy Divine  
Else do I have to say  
Speak will I of the other things  
This way to paradise is paved  
With my monsters and stoned with their cries  
Finally come to an end  
Over and over and over  
Over and over again

This is the day we've hailed for such a long time  
Death in Venice so sweet  
Sweet as the end

Once I was hunting for Athanasia  
With a grim sardonic end  
In Circle 9 there's a stairway to light  
My son is the key to eternal salvation  
Here it starts and here it ends  
Over and over and over  
Over and over again

This is the day we've hailed for such a long time  
Death in Venice so sweet  
Sweet as the end

Precious allegories  
Of a death in Venice  
Where the gondolas float bejeweled  
Dressed in mourning

(2x) This is the day we've hailed for such a long time  
Death in Venice so sweet  
Sweet as the end
