

Blow Me Away

Vanessa Amorosi

We live in a beautiful house with a white picket fence
We've been so happy together since September 10th
Our puppy waits near the front door for you to come home
He was there for two days straight and I started to think that
something was wrong

So I went out and then I caught you
With another girl, she wasn't even cute
Now you're saying you didn't mean it
And all of a sudden you want me back
Baby I think that you're gonna have to

Blow me blow me away
Show me why I'd let you stay
Boy you've got so much to lose
Don't you think it's time for you to
Blow me Blow me away

I hope that you enjoyed your messing around
Cause you have to make it up to me with something amazing now
I'm not so happy about sleeping alone but you know I could
I'm gonna give you one more chance so you better make it good

So you're sorry well I'm sorry too
If you really feel that I need to see the proof
You're constant phone calls your presents and flowers
All of a sudden you want me back
Baby I think that you're gonna have to

Blow me blow me away
Show me why I'd let you stay
Boy you've got so much to lose
Don't you think it's time for you to
Blow me Blow me away

Use your imagination
You know what I'm sayin
Better get a move on time's a wastin'

Blow me blow me away
Show me why I'd let you stay
Boy you've got so much to lose
Don't you think it's time for you to
Blow me Blow me away
