Vanessa Carlton

Now here you go again  
You say you want your freedom  
Well, who am I to keep you down?  
It's only right that you should  
Play the way you feel it  
But listen carefully to the sound  
Of your loneliness

Like a heartbeat drives you mad  
In the stillness of remembering what you had  
And what you lost  
And what you had  
And what you lost

Thunder only happens when it's raining  
Players only love you when they're playing  
Say women they will come and they will go  
When the rain washes you clean you'll know  
You'll know

Now here I go again, I see the crystal visions  
I keep my visions to myself  
It's only me who wants to wrap around your dreams and  
Have you any dreams you'd like to sell?  
Dreams of loneliness

Like a heartbeat drives you mad  
In the stillness of remembering what you had  
And what you lost  
And what you had  
And what you lost

Thunder only happens when it's raining  
Players only love you when they're playing  
Say women they will come and they will go  
When the rain washes you clean you'll know

Thunder only happens when it's raining  
Players only love you when they're playing  
Say women they will come and they will go  
When the rain washes you clean you'll know  
And you will know  
And you will know  
You'll know
